1. Course meets on 11/8, 11/15, 11/22, 11/29

The Master Courses

This Fall, the Augustine Institute's Graduate School of Theology is pleased to announce its initial *Master Courses*. These elective courses will be offered on special topics of the instructor's choosing and will involve small class sizes and close collaboration between the instructor and students, culminating in the submission of a substantial research paper. Students may take only one *Master Course* as an elective counting towards either M.A. degree program, and to be eligible must have completed six courses while maintaining a cumulative grade point average of 3.50. In order to allow personal student-faculty interaction, each Master Course is capped at a maximum enrollment of twelve students, with some places reserved for on-campus students. The lecture portion of the Master Courses will be a total of approximately six hours of instruction and will be available subsequently through the Institute's FORMED.ORG platform.
